# Using your Blue Advantage (PPO) Dental Allowance

It's simple to use your dental benefits. Some dentists will file a claim with Patrius Health for you. Others may want you to pay the bill up front, then ask Patrius Health to reimburse you.

## Locating In-Network Dentists

To find a participating dentist (or check that your current dentist is in the network):

- Go to **PatriusHealth.com/FindaDoctor**
- Enter your zip code and choose **“Dentist”** in the dropdown menu for type of service.

## Submitting A Claim For Reimbursement

- If your dentist does NOT file claims to Patrius Health, you pay for the services you receive, and Patrius Health will reimburse you up to \$1,000.
- You can submit a claim by logging into **myBlueCross** and click on **Submit a Claim** on the Account Summary page. You can also request a form by phone (by calling the number on your member ID card), or you can ask for one via email, then print and complete it and mail it back.
